Notice of Action

Name: SHAKUR, Mutulu

Institution: Victorville USP

Register Number: 83205-012

Date: May 25, 2018

As a result of the hearing conducted on May 3, 2018, the following action was ordered:

No Change in previous decision to deny Mandatory Parole and continue to expiration.

REASONS:

After careful consideration of all relevant information, the Commission finds there have been no significant developments or changes in your case as to warrant a change in the previous decision to deny mandatory parole and continue to expiration. The Commission continues to find, for the same reasons as stated in the Notice of Action dated April 20, 2016, that you have seriously violated the rules of the institution and that there is a reasonable probability that you will commit a Federal, State, or local crime. The Commission has considered your statement at this hearing in which you now, for the first time ever, admit culpability for your offenses of conviction and accept responsibility for your actions. The Commission has considered whether this is new information that warrants a change in its previous decision but has determined you lack credibility in making such a statement. The Commission finds the timing of your new statement suspect and further finds it to be self-serving and disingenuous.

You have also been scheduled for a statutory interim hearing during May 2020.

THE ABOVE DECISION IS APPEALABLE.

You may obtain appeal forms from your caseworker or supervising officer and they must be filed with the Commission within thirty days of the date this Notice was sent.

Copies of this Notice are sent to your institution and to your supervising officer. In certain cases, copies may also be sent to the sentencing court. You are responsible for advising any others you wish to notify.
